for Wood Appliances - TPOWR Chimney Sweeping System

Introducing the TPOWR™ Rotary Chimney Sweeping System ~ Use with your cordless drill to clean wood burning fireplace and stove chimneys in record time! ~ Removes flaky creosote, fly ash and debris with special “shark tooth” cutting whip line material ~ TWIN FLAT™ 3’ long locking rods, whip brush and drill adapter made entirely in the U.S.A. ~ Exclusive, patented “anti-snag” rod end shapes essentially eliminate “hang ups” that affect simple chimney rods ~ Two lengths of whip brush material included ~ Perfect for chimney interior dimensions of 5” round to 16” x 16”.
